What's fluttering this month

“Notes from Lisa”

Hello Everyone:

Another exciting month, the summer heat has finally arrived. I love summer just because it allows me to spend time at the beach. I love the Ocean; it is soooo soothing to my mind and spirit. Visiting the ocean reminds me how the Holy Spirit washes our minds of every doubt thought and fear thought that comes into my mind, with Truth. The Holy Spirit exchanges his thoughts and takes my mind, into Truth. The Holy Spirit is the healer of ALL wounds. Healing my mind, heals Everything. It is very important to allow ourselves to step back from the busyness of our lives. If we give ourselves permission just to stop and listen for the Holy Spirit to reveal God's Love, for his most Holy Kingdom. It is the greatest gift that could ever be given to ourselves. The silence builds Strength, Faith and our Peace which in turn builds us onto JOY. Joy is a reflection of Peace. Joy is the manifestation, of living in the Present moment of Truth.

Peace is the goal that is worthy of a child of God. Could you imagine not having any worries or concerns about anything? This is the Gift that God offers to his children. The Peace of God is my one and only Goal. There is a Peace that passes all understanding of this world when we know that God is Real. Heaven is real. Truth is Real. All the things of this world crumble fall and eventually die. The things of this world are never sure, they are constantly

changing, never stable. God's Promise is the only sure thing. Heaven is Real. Love is Real. Joy is Real. Christ is Real. All of Gods words are True. Isn't that a great gift? All we have to do is Believe in the right Truth. All seeming difficulties fade. All goals are met and all the gifts of Heaven are available to us once we accept our inheritance. God offers his hand out of this world into Truth. Peace is our inheritance, if you could just be willing to let all things go and allow God to penetrate the noise. You have Everything right NOW,,, A Course in Miracles calls this the Holy Instant. “Now” is the closest approximation to Heaven that this world offers. It allows our mind to abide in Truth. “Now” is all there ever really is. “Now” is Truth. “Now” lets the past go and releases the future. It allows all distractions to fade. Forgiveness allows us to experience this Most Holy Gift. Nothing of this world can offer this type of Salvation. Owning a business and also being a single mother has tons of distractions. This is the gift that has brought Peace into these worldly endeavors. I step back and allow the Truth to penetrate the noise. It gives me Clarity and is my constant Lamp in

the darkness. It has become a torch the more and more I use this gift. This is the gift that I wish to share with you. It is the Light for All of us in the Storms of our lives. Storms come and go but this constant place is eternal and it is always waiting to be received. A lot of times when I go to this Holy Place I have to give myself permission to REALLY let go. Hurricanes try to take this from me, but it is always my choice to choose again. Jesus Christ was the Greatest Witness to this Truth. It is the doorway to our Home. Jesus Christ saw through all storms. He dispelled all illusion of this world, to reveal God. Jesus walked in Peace and he would constantly go to the Mountain for Strength. He is my Teacher on my Journey Home. Thank you dear God for your Most Holy Witness of my Salvation. Each time we choose to go to the Mountain it builds the Holy Spirits communication to be lit and allows him to enter where he is Welcome. He will never shove his way in the door; you MUST open it for your own release. I love you All soooooo dearly. The Love I feel for you all extends from what I have received and multiplies as I give unto you. Thank you for allowing me to share the gift of Love with you All. You are out there in the World,,, Shine,,, Shine,,, Shine,,, the Son of God is Risen. I offer you all Peace and that is all you could ever want. That is it, Just Peace,,,,, ohhh, how glorious it is to know this Holy Truth. I could not offer you anything else because there is Nothing Else worthy enough for YOU.

Love and Joy Lisa

It is with great honor that you, the employees of Abundant Nursing, Inc., chose this month's Employee of the month. When we first decided to do the employee of the month we decided it would be appropriate just for the Nurses. As you all know rules can be broken (especially when I am the boss). It is with great honor to choose Kim as our Employee of the Month. Kim came to Abundant Nursing, Inc. in July of the first year that I opened. At that time I was juggling everything. I had just given the phones to Stacy and was still scheduling myself. Kim is Deb's sister and I really felt that I did not want to deal with Sibling rivalry. But Kim persisted that she would be able to overcome any obstacles that would come into play so that we could work as a team. It is now three years since that decision, and I am so grateful that I trusted and allowed the Spirit to lead me to this great joining in purpose. It is very timely too, Happy Anniversary Kim. As an employee Kim has never once called off. She is dedicated to the Nurses and the Facilities. She wants to make everyone Happy. Her job is the meat of the business. Without her dedication the business surely would not be what it is today. As you all know Kim is more than your average scheduler, she is your friend, your confidant, and has been a role model for all of us.... Her job can be very tedious and stressful but Kim always has time to let you lean on her

shoulder.... Thank you Kim, it is an honor to be blessed with your presence in this great endeavor. You always remember and are willing to serve the purpose that I committed this business to.... God. Thank You Kim, you are my Holy Companion.

Philosophy of Mahatma Gandhi:

Gandhi objected when people called him “a saint trying to be a politician.” He said he was instead “a politician trying to be a saint.” Mahatma Gandhi was a strong follower of his conscience. *“I had long since taught myself to follow the inner voice. To act against it would be difficult and painful to me.”* He believed in following the path of his heart and, where none existed, to make one. He propagated that it is better to try and fail for a cause that you believe in than to succeed in some alien cause.

“The weak can never forgive. Forgiveness is the attribute of the strong.”

“In the attitude of silence the soul finds the path in a clearer light, and what is elusive and deceptive resolves itself into crystal clearness.”

“I have endeavored to show that there is no real service of humanity in the profession [of medicine] and that it is injurious to mankind.”

“Honest disagreement is often a good sign of progress.”

“If you don't ask, you don't get.”

“There can be no inward peace without true knowledge.”

Mahatma Gandhi (1869-1948)
