What's fluttering this month

“Notes from Lisa”

Dearest Holy Child of God:

You are a Precious one. I came back from Ohio and I am holding God's purpose for my life in my mind. It never is the way that we think it should be. I also try to bring the past with me into the now, which is totally impossible. We are comfortable in the past thoughts. They are what we are use to listening to. We give more strength to the red flags than the green ones. It is time to choose again.

I also have been growing and changing. We are the butterfly, in the cocoon, adjusting to the light, the Light of Christ. The light of Christ can seem painful to eyes that are use to looking in darkness. Oh, how we choose this vision, these thoughts. Instead knowing we are worthy of true Light and Joy. Oh yes, sweet sisters, we turn to darkness as a comfort, but it is Hell. You know this. I know this. I must choose the Light for Life. Without this guidance we shall fall into the pits of darkness. Choose with me life. Life abundantly, Life of Peace. We must continually keep AWAKE. Pray that your mind will allow the Holy Spirit to guide. No prayer goes unanswered. There is no higher prayer than for healing. Heal me God; heal the blocks to the awareness of your presence. The blocks are the past hurts, guilt, fear, and unforgivingness. Allow us to accept your plan. Let me not resist. My mind opens to truth, Holy Spirit. I open to you. Lisa has no idea; Lisa is nothing without your

Guidance. I hope that you will join with me in this most Holy Purpose. There is no other. Why waste time? Let us allow ourselves to listen to Truth. The Christ has risen. The Son of God is free. We are only home in Christ. Praise sweet Jesus there is an answer. If Lisa was to perform miracles, it would indeed be havoc. I can not. I allow the Holy Spirit to work through me. I give back my control to my maker. Like Pinocchio, I need to be led. Watch your mind. Make sure you are not listening to the wrong voice. The Ego's voice seems much louder. Doubt, fear, pain, sorrow, depression, and loss stand in the way of Truth. The Truth is NOW. Rejoice that this is true. Believe this, for just a second; allow truth to penetrate the noise of Lies. It holds nothing for you but death. The nothing thoughts want and need you to believe in them to keep them alive. Do not give them power. ALLOW Truth to push through these meaningless thoughts. Be still and know that God's words are forever true. His voice offers us Joy, Innocence, Peace, Holiness, Healing, Smiles, Love, Dancing, Singing, Pureness, and Miracles. Thank you Father, you set me free. I choose to trust in Christ. I choose thoughts of

life. I wait for you forever.

I need to join with others who want truth. I need the power of other minds. Alone I am disempowered. I am attracted to the Light. There is no other way for me. If not, I die. I am Vigilant for God, so my mind needs to feed with truth. So, God has sent Holy Companions to join with me and to rejoice. That is Strength. Where two or more are gathered, two minds alike are very powerful. That is where I am being drawn now. There is no loss in Christ. I choose this for your awakening. You have all the gifts that you need right now. Nothing outside yourself can save you. Nothing outside yourself can give you Peace. Seek not where the answer can never be found. You are wasting time. Learn this lesson so you may join with me in Truth, in Life. The script is written. You can't change the script. The only thing you change is YOUR perception of the script. Look within and see only truth. No one can choose for you. I need your strength, not your weakness. Weakness is not of Christ. He knows it NOT. Choose Strength. The Holy Spirit waits for your invitation. Until you choose, God only waits in perfect patientness. He knows that we are lost without his guidance. God offers us free will to choose. He will not go against his own laws. We must be willing. I am not God. I am on my own path to enlightenment. I can only offer you guidance. I cannot offer you salvation. You have a main line connection, as I do. Please choose to listen to the Holy Spirit and nothing else, because anything else is Nothing. Only God's thoughts are true. They are eternal, forever; the fleeting

thoughts of doom can never last in the light.

Amen,
Lisa

What is the Purpose?

This is the question we must continually ask? What is this for? What purpose does this serve? Is this a purpose for God or for the World? If there is NOT a Holy purpose in the for-front of our mind, we become lost, fearful, anxious and tormented. This is for ALL decisions of life. When I started Abundant Nursing that was what I kept in the for-front of my mind. The original intention of this Business was to serve the Holy Spirit, for God's purpose, whatever His purpose and plan is. I opened my arms to be a vessel, to help heal. Many people say how in the world did you do that? Well, Lisa did NOT do anything. The Spirit works through the willing. I of myself am nothing, and can not do anything alone. All seeming difficulties fade away with the Holy Spirit in the for-front of my mind. There is a surge of energy and you know that it is not of you. Praise Sweet Jesus. The Holy Spirit has entrusted me with this great Honor. He has trusted me to be a Steward of these gifts. To make sure that I am using this Business for man's highest good. Awakening to Truth. To teach the Power and the gifts, when following the Holy Spirit's guidance. Oh, how easy it is, this gift of freedom. I don't have to do anything. Ahhhhhhh, but allow the Spirit to lead. This purpose must be continually kept in the for-front of our minds. We must continue to stay awake. So I would like to take this opportunity to rejoin in Purpose. I pray: Oh Father, let this business be used for YOUR most Holy Purpose, Only in this purpose, is there True Joy, Peace and Happiness. I continue to seek your Strength and Guidance, in ALL decisions. Let this business and ALL employees rise up to you. Let us allow your healing Love to flow across to all that come and go. Let the Peace of your gift enfold them, open them, to allow the Spirits Wings, to take them, to let their Joy

shine forth. Thank you Father,,,, I am honored and humbled in your Trust.

Amen,
Lisa

Mother Teresa Quotes

I am a little pencil in the hand of a writing God who is sending a love letter to the world.

All things pass... Patience attains all it strives for.

Love is a fruit in season at all times, and within reach of every hand.

Kind words can be short and easy to speak, but their echoes are truly endless.

If you judge people, you have no time to love them.

Joy is a net of love by which you can catch souls.
