What's fluttering this month

"Notes from Lisa"

Hello Everyone:

Greetings from Paradise. The message this month is, "Seek and Ye shall find, knock and the door shall open". What are you seeking for? We all have desires for something. What is it that you truly desire? God answers all prayers of the heart. If the prayer is for healing, know that it will always be answered. If it is for things (car's, relationships, money, success) know that you are seeking for, what will never bring you happiness. Is it happiness that we seek, true happiness? Americans have been taught that happiness abides in attaining things. We have been taught to compete for things, to keep up with the JONES's, to prove to the world that we are worth something by our THINGS. When we do not know who we are, we continue to prove to ourselves and the world, that the THINGS are our worth. It is the Ego's greatest ploy to keep us from our Joy. Seek and do not find, is where we end up. It is a vicious circle that is never ending. We get, and we continue to need more. The things of the world will never satisfy our longing for our Father's love. That is what we all are seeking for. To know who we TRULY are. The American dream has gotten us all stuck in a vicious trap. We need to work more, we need to continue to strive, we need to continue to keep up the Mask that we ALL have created. All of you have experienced what I am talking about. We seek for a relationship to fill that empty hole. We seek for a

child to fill that hole. Whatever it is that you have sought, has become an Idol before God. Every Idol that we put in front of God will always FAIL. When will we wake up to the TRUTH? When does the cycle end? Aren't we weary enough keeping up this lie? When we continue to look outside ourselves for the answer, we will never know our Father's Love for his Son. What would happen if we Stopped? Just Stop for an instant and look at what we created to keep our Father out. That sounds a bit frightening to a mind that has been running from truth for so long. Like I've said before, the voice of Fear, always speaks against Truth (GOD). Are we really listening? Or are we pretending again? Are we too fearful that the world we created will fall? God wills his son to be free. The Ego wills that we continue to obtain things and seek and seek and seek... Oh, how tiring this has become. We have become addicted to things, addicted to running, and we have become addicted to Fear. God is lonely without his Son. He wills us to be FREE! God's gifts are free, you don't need to earn his gifts. You don't need to prove your worth to him. He has created his Son in His Image, not our own. What is

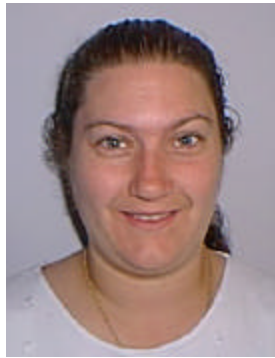

your Image of his Son? We are WORTHY of his SALVATION, WORTHY of his JOY, WORTHY of his LOVE and are WORTHY of his PEACE. God created his Son to soar and sing, spreading the GOOD NEWS. Gods gift are eternal, they are never changing. What was true yesterday is true today and tomorrow. Unlike the Ego's that are constantly changing from one THING to another THING. Being a Christian is not just saying you are,,, it is living our Teacher's message. He taught us to be able to LIVE. Christ longs to live in every one of us. He abides in us and is waiting for us to call off the search outside ourselves and seek where the truth abides. The truth is like a treasure chest just waiting to be discovered. The treasure chest is filled with all the gifts to freedom. Since we are so addicted to listening to the world, we do not know what would truly give us happiness and JOY. All that we are seeking for just waits, patiently and silently. There is a voice in all of us that continues to call us home to truth. The empty spot in all of us is waiting to be filled with TRUTH. What are you filling your empty spot with? Mine used to be food, relationships and materialism. Each one has fallen; each one has continued to offer me nothing. The hole just seemed to get bigger and bigger. I sought in what could never bring me JOY. I fell into the trap, as we all do. My life used to be "Seek and Never Find". I finally Stopped and began to question this LIE! When will we have enough of NOTHING? How long are we going to keep hiding from our true nature? Our true inheritance waits for us to call off the search outside ourselves. We must be willing to see there must be a

better way. I am here on this Journey to tell you there is. YIPEEEEE!!! Praise Sweet Jesus!!! This is just a temporary Journey, just like all the temporary gifts of this world. Let us not wait another minute to search where the answer can never be found. Let us take this time to find our treasure chest of truth. Be still an instant, and listen and stop running, stop hiding. Only the fear of the light is frightening to a child so use to darkness. The Light has come to set us Free!!!! God gave us his Joy. He gave us his LOVE. He gave ALL that we are seeking for. What will you believe? Do believe in the Temporal or the Eternal Truth. Let us seek for what will truly set us free. Give up the Belief in the Temporal, and Believe that we are WORTHY. God let's yesterday go through Jesus Christ, our Savior of the Eternal truth of Forgiveness. Forgiveness waits for our acceptance. We are Worthy, we are God's children and he longs for us to come home. Let us finally rest. Rest in Peace. The world's lies are forever untrue. God let's us find out for ourselves, he wants us to have free will to choose him without a doubt. Just like the Prodigal Son in the Bible who left his father with all his riches and spent all the money, seeking for happiness and ended up coming home to open arms and to Love and Forgiveness. This story represents how God Loves us sooooo much. He just waits forever. Oh how I love this Dude!! I don't know about you, but let me tell ya. I love peace, I love Joy, and I love my Father for allowing me to explore my options, and to welcome me home. Let us seek where the Truth abides. Aren't you tired of keeping up this game? This game has cost us our freedom, bigger houses, bigger bills, more work, less and less time to listen. Give up this foolish game. The American Nightmare is Over!!!! Let us share the Good News! This Gig is UP!!!! Instead of striving to prove yourself, start acknowledging who you already ARE! You my sweet child,, are a HOLY CHILD of God. What else is there to prove? "Seek and you Shall Find".

In Joy,
Lisa

**EMPLOYEE FOR THE MONTH
OF MARCH**

“Wendy S. Santiago, CNA”

Wendy has been with Abundant Nursing since June of 2001. She lives in Lancaster with her husband and two sons. Being a mother, a wife and a CNA is a challenge, but Wendy balances everything with a smile and a positive attitude. Wendy also finds the time to go away with her husband one on one. This is so well deserved. We are blessed to have Wendy as part of our Abundant Nursing family.

“Bonnie’s Corner”

Dear Abundant Nurses:

Let us be messengers of peace in this world full of distractions, with messages of terror and bad news. It is time for some good news! It is time to be still and know God is God. God is sovereign, which means to have supreme rank or power. He is in control! We can rest assured that our safety lies in our defenselessness, resting in the arms of God. God is our father; who provides divine care and guardianship to all who seek Him. We can live in peace, love and joy. It is possible with God. We can reflect into the world positive messages. Our thoughts set the pace. If a person has a heart that is good and pure, it resonates into the world, creating hope and faith, which increases our joy of living in the moment. Cast all your cares on God, who is the lover of your soul. We are to trust in God with all our hearts, not trusting in our own thinking apart from Him. If we put our trust in Him, He will direct our path. All we need is a willing mind.

Love to you all,
Bonnie

God is in Control

I am glad to think, I am not bound to make the world go right; But only to discover and to do, With cheerful heart, the work that God appoints. I will trust in Him, That He can hold His own; and I will take His will, above the work He sends me, To be my chiefest good.
